

# February 2012

If you can't arrive at the track for the Friday night races before registration closes at 7:30 pm, you may phone in your registration, however you must arrive by 7:45 pm and you will be obligated to pay for the race whether you show up or not. Why not pre-register for Friday's Trophy Race and save \$1.00???

Rained out races will be made up at the convenience of the track.
